Instructions to Reviewers:

1. All individuals reviewing this application are required under 35 USC 181 to sign and date this form regardless of whether they are making a secrecy order recommendation.
2. The attached copy of the application, any copies made therefrom and this form must be returned to the PTO once a recommendation not to impose secrecy has been made or a secrecy order has been rescinded.

Note for Completion of Review:

Pursuant to 35 U.S.C. 184, the subject matter of this application may be filed in a foreign country for the purpose of filing a patent application without a license any time after the expiration of 6 months from filing date unless the application becomes the subject of a secrecy order.

35 U.S.C. 184 (b) provides that an application of 35 months from the date of publication of the application in the United States may be filed in a foreign country without a license any time after the expiration of 6 months from the filing date unless the application becomes the subject of a secrecy order. This application will be deemed to be a "prior art" reference for the purpose of determining the patentability of the application under 35 U.S.C. 102(a)(2) if it is published in a foreign country within 6 months from the filing date of the application in the United States. This application will be deemed to be a "prior art" reference for the purpose of determining the patentability of the application under 35 U.S.C. 102(a)(2) if it is published in a foreign country within 6 months from the filing date of the application in the United States. This application will be deemed to be a "prior art" reference for the purpose of determining the patentability of the application under 35 U.S.C. 102(a)(2) if it is published in a foreign country within 6 months from the filing date of the application in the United States.
